

Discover the wonderful “Emerald Cave” of Conca de’ Marini

Into the blue!

In the enchanting Conca de’ Marini, one of the Most beautiful Borghi of Italy, you will experience an exciting excursion to discover the Emerald Grotto, famous all over the world for its outstanding beauty featuring something similar to a magnificent oriental temple, made up of stalactites and stalagmites resembling enchanting columns and bizarre curtains. The Emerald Grotto is a charming place, where nature seems to have concentrated all its more spectacular colours to surprise and catch the eye of the visitors.
