

Tour Apulia - Basilicata

From prehistory to the Renaissance and Baroque splendors!

A Candlelight dinner in an ancient deconsecrated church, the magical atmosphere of castles, dreaming residences... are just some of the fabulous experiences of our amazing tour in Puglia. Starting from the heel of the boot you will visit incredible cities, from the magnificent Baroque of Lecce to the disarming beauty of Matera with its typical "Sassi" also known as "second Bethlem", and you will walk along the cobbled streets of the "Most Beautiful Borghi of Italy" as Locorotondo, home of "Trulli" and Castelmezzano, pearl of the Dolomites of Lucania. If you want to buy some souvenirs, you can go shopping in the small handcraft shops of Alberobello and discover the wonders of the Middle Ages in Castel del Monte. Your accommodation, equipped with all comforts, will complete your dreaming vacation, turning it into a real life experience: a 5-star hotel surrounded by nature and an incredible "Albergo Diffuso" in the "Sassi" of Matera are waiting for you!
